*Disclaimer:* A&S Sales will provide as accurate an estimate as possible. This estimate is not a price guarantee, work contract, guarantee of service or materials availability. Material types, selection, availability and prices are subject to change. Stone countertops and installation is a custom process and subject to variations in material and methods. Final price is based on A&S's field measurements. Please review the Typical Process Outline on our website: www.asgranite.com.

**-DRAWING DOES NOT NEED TO BE TO SCALE -**

A simple sketch is all that is required. Please provide all dimensions, mark edges to be polished with an (X), mark edges that require a backslash with an (O). An example of how to create a basic drawing is available on our website:
